

# Fuel Fleet Card Convenience

## Universal Access

As an IMPAC Universal fleet customer, you have access to the largest fueling network in the country. Drivers save time by not having to carry maps and guides to find a limited number of fuel sites.

- Fuel at over 200,000 stations, including all major brands. This gives your drivers the ability to shop street prices, saving your company money.
- You can fuel in all 50 states with your IMPAC Universal Fleet Card. IMPAC will reconcile the transactions with the vendor and make sure that the transactions are neatly consolidated on your invoice.

**Drivers can shop for the cheapest fuel everyday.**

## Pay at the Pump

### Convenient Because You Can Use The Card...

- At Island Card Readers
- At the Pump Dispensers

### Saves Time

- No waiting in line for cashier
- Pull up, fuel, and get back on the road

**You can fuel at over 200,000 locations.**
